### TEAM PARENTS

<b>All Teams</b>	TBD		
------------------	-----	--	--

## ***Grayson Basketball Tip-Off Club***

The Tip-Off Club is a volunteer parent-based organization whose purpose is to provide support and resources to the Grayson High School Basketball Program. Support is obtained through Tip-Off Club dues and a variety of fundraising activities including concession sales at home games, Youth Camp, Annual BBQ, JV tournament and business sponsorships. The school only provides funds for game uniforms, referees, utilities, gym maintenance, custodial fees, gate collector and buses to away games. All other expenses are covered by TOC.

The program relies on our support for locker room improvements and equipment, recognition plaques and certificates, senior night, team banquet locker signs, game towels, basketballs, professional announcers, scorekeepers, and video production.

The Grayson Tip-Off Club consists of four (4) officers and is supported by team parents, coaches, athletes, and parent volunteers at events and games. There are many opportunities to volunteer throughout the season.

Your commitment is vital to the success of our program!

## **2018-2019 Volunteers Needed**

Behind every great high school athletic program, you will find a host of fantastic parent volunteers. Grayson Basketball is no exception! Through the years, our parents have been at the core of this program dedicating themselves to supporting our coaches and players.

The following is a description of the open positions that we need parents to volunteer for in order to make this season a success.

**Team Parents:** This parent is the designated key contact for each team once teams have been selected and will work closely with the Co-presidents and head coach of their team. This person is responsible for making sure that parents are aware of important information being communicated to them from the Coaching Staff. Other duties include: organizing meals on game days; organizing any team functions as directed by the head coach; assisting Tip-Off Club with collection of paperwork, funds, etc. from parents of players. **1-2 parents needed per team.**

**Concession Volunteers:** The concession stand will be open for all home games and will be staffed by parent volunteers, Beta club and DECA club members. Each family is REQUIRED to work at least 2 slots. Girls' parents will work boys' games and boys' parents will work girls' games, therefore no parent has to miss their child's game. The link to sign up will be posted on the [www.graysonhoops.com](http://www.graysonhoops.com) website by early November.

**Spirit Wear Coordinator:** This person works closely with the Tip-Off Club and is responsible for the selection, procurement and sales of Grayson Basketball related "Spirit Wear".

**Fundraiser Volunteers:** In addition to concessions, often Grayson Basketball will undertake fundraising activities to off-set the cost of player dues. Each fundraising activity will have its own coordinator who will work with the Tip-Off Club.

**Website Coordinator:** This person works closely with the Tip-Off Club and coaching staff to keep the Grayson Basketball website ([www.graysonhoops.com](http://www.graysonhoops.com)) updated.

**(FILLED)**

**Sponsorship Coordinator:** This person will assist the VP of Fundraising in soliciting sponsorships for local vendors as well as fulfillment of the sponsorship agreements. **2-3 people needed**

## Grayson High School Basketball

### FINANCIAL COMMITMENT AGREEMENT

Basketball involves a huge financial commitment on part of the parents. It is imperative that you be responsible for your commitment - avoiding deadlines or refusing to clear accounts is unacceptable and hurts the entire program and everyone involved.

Note the following:

- ❖ The following items are included in your registration fee:
  - Apparel Package (Game Shoes, Bag, Warm ups, Shooting Shirt, and Socks)
  - Player meals (provided for all weekday games)
  - Tip-Off Club Fee
- ❖ For any previous player, it is **MANDATORY** that you contact Karen Robinson DeLee, to clear up late dues or fees on your account to be eligible to try out.
  - All fees are due by November 2nd. You may pay with credit card, cash, or money order (made out to Grayson Tip-Off Club).
- ❖ Each family is required to volunteer for 2 concession stand shifts during the basketball season.
- ❖ Securing sponsorships is a great way to help our overall program, a tax ID number, and appropriate forms will be provided. The forms are also available at [www.graysonhoops.com](http://www.graysonhoops.com). Each player is encouraged to secure some level of sponsorship for the program as half the costs will be credited to their account.

I have read and understand the financial commitment for Grayson Basketball in the 2018-2019 school year and will meet the financial responsibilities. I realize that if my player is dismissed from a squad, for any reason, that no refunds will be made.
